

## **Vedanta Resumes Operations in Bicholim Mines**

**Panaji, November 17, 2016:** Vedanta Sesa Goa Iron Ore revoked the suspension order in the Bicholim mines with immediate effect. The management took the decision after employees appealed to resume work.

An official spokesperson for the company said. “We decided to revoke the suspension of operations after several requests were made from various quarters: employees, villagers, transporters and contractors etc. who are dependent on mining for their livelihood. The management sincerely hopes that wise counsel will prevail on the employees/workmen and normal operations will continue.”

The operations at the mine were suspended on 13th October 2016 in the interest of the safety and security of the employees.

**Disclaimer**

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
