
PRESS RELEASE**Vedanta's A.Narrain Mines in Karnataka gets the 5 Star Rating for Sustainable Mining**

Panaji, February 16, 2017: Vedanta's A.Narrain Mines in Karnataka was awarded the 5 Star rating at the 'Second National Conclave on Mines & Minerals' held at New Delhi yesterday. Mr. Krishna Reddy – Head Iron Ore Karnataka and Mr. Vikas Peeru-Head Technical Services received the award from Mr.Piyush Goyal, Hon'ble Minister of State for Mines, Coal, Power, New & Renewable Energy and Mr. Balvinder Kumar- Union Mines Secretary, Ministry of Mines.

Receiving the award Mr.K Reddy said, "We are most humbled and pleased to receive this award as it recognizes our best practices and sustainability measures. Vedanta is always committed to mining in a responsible manner aimed at socio economic development and welfare of the communities."

Last year, Vedanta Limited Codli and Bicholim Mines were recipients of the prestigious award. This is a part of the Star Rating Scheme implementation of the Sustainable Development Framework (SDF) that has been formulated and finalized by the Ministry of Mines. The mines are assessed after a thorough inspection by IBM officials on various parameters that include –

- The management of impact by carrying out scientific and efficient mining
- Addressing social impacts of our resettlement and rehabilitation requirements for taking up mining activities
- Local community engagements and welfare programmes
- Steps taken for progressive and final mine enclosure
- Adoption of international standards

The eligibility criteria was for all major mineral mines, which have been operational for more than 180 days in the reporting year 2015-16.

The National Conclave on Mines and Minerals is essential not only to disseminate the various developments in the mining policies and activities, but also to gather solidarity in approach for addressing the issues in the mining sector.

This press release contains "forward-looking statements" - that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
