Sesa Sterlite Limited's Bal Melava held at Bicholim

PANAJI, GOA, November 21, 2014: Sesa Sterlite Limited's Iron ore business unit organised its annual 'Bal Melava' event to mark the children's day celebrations in Bicholim Taluka, Goa.

Bal Melava received an overwhelming response, as over 471 students from eight schools from Amona and Navelim villages participated in the celebration.

The day unfolded with activities like competitions, games, magic show, cultural programmes which were followed by the prize distribution.

School authorities from Amona and Navelim villages appreciated the efforts of Sesa Sterlite Limited for organizing the event that provided a platform to school children to showcase their talents.

Bal Melava is among other CSR events of Sesa Sterlite that initiates many community development programmes in Goa.

The eight schools that participated in the Bal Melava were Government High School, Amona, Government Primary School, Betalwada, Government Primary School, Tariwada, Government Primary School, Bhandarwada, Government Primary School, Baroniwada, Government Primary School, Fanaswadi, Government Primary School, Maina and Government High School, Navelim.

Govind Naik, Headmaster of GHS Amona, Ms Leena Verenkar (AGM- CR, SSL), Ms Shruti Dhupkar (Associate Manager- CR, SSL), Ms. Vidya Naik Headmistress of Govt. High School Navelim, Mr. Ashish Pilankar (Associate Manager- CR, SSL), Ms. Yashoda Sankannavar (Senior Officer- CR, SSL) and all other staff and PTA members participated in the Bal Melava in their respective villages.

About Sesa Sterlite Limited (Formerly known as Sesa Goa Limited)

Disclaimer

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to

be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
