# POWER PURCHASE AGREEMENT (PPA) FOR RENEWABLE ENERGY

Western Cluster Limited,  
Liberia

Vedanta Group is a global leader in natural resources and energy, operating a diverse portfolio of world-class, cost-efficient assets. We are the world's largest producer of zinc, fourth largest producer of silver, amongst the world's top aluminium producers, India's only private oil and gas producer, and one of its largest private power producers. With an eye on the future, we are strategically expanding our business portfolio by venturing into rare earths, other critical minerals, and renewable energy.

Western Cluster Limited (WCL), a subsidiary of Vedanta Limited, has its iron ore mining operations in Liberia, Africa. It aims to produce best-in-class quality iron ore concentrates from WCL.

As a part of our transformation initiative, WCL hereby invites Expression of Interest (EOI) from interested partners to supply renewable power for our operating site at Bomi Mines in Liberia, on a long term PPA basis (Power Purchase Agreement) for 30MW power on a round-the-clock (RTC) model.

**Western Cluster Limited**

Interested bidders may send their EOI along with their company profile, financial statements, client list and other relevant credentials to: [sesa.projects@vedanta.co.in](mailto:sesa.projects@vedanta.co.in) by **20<sup>th</sup> May, 2025**
