

INVITATION FOR EXPRESSION OF INTEREST

# GLOBAL ENGINEERING COMPANY TO IMPLEMENT MULTI-BILLION PROJECTS

Vedanta will spend USD 20 billion on growth projects in metals & mining and hydrocarbons in the next 3 years. These projects are brownfield extensions of our existing operations.

We are looking for experienced global engineering company with experience in engineering, procurement and construction management (EPCM) to implement our projects acting as an extended office to us. Vedanta's key growth projects are across zinc, aluminium, copper, iron & steel, oil & gas and power. We are interested in understanding your capabilities, credentials, experience in executing large scale projects and network of vendors and technology suppliers.

## INTERESTED COMPANIES ARE INVITED TO SUBMIT AN EOI ALONG WITH THE FOLLOWING INFORMATION:

- Company profile
- Relevant experience
- Current Projects under execution
- Knowledge of vendors, technology suppliers and other companies needed to execute projects
- Any other suitable and supporting credentials including AI and digital capabilities

*Expression of Interest to be submitted by 30th April, 2025.
