## **ABOUT VEDANTA**

Vedanta Limited, a subsidiary of Vedanta Resources Limited, is the world's leading Oil & Gas and Metal company and one of the largest producers of Oil & Gas, Zinc, Lead, Silver, Copper, Iron Ore, Aluminium and Power across India, South Africa, Namibia, and Australia.

## **OPPORTUNITY**

Vedanta has embarked on next phase of Growth Projects across its various businesses in India and Africa. The growth projects are mainly in development of mines, process plants and related infrastructure. Vedanta follows outsourced approach for implementation of Projects. The implementation partners have an end-to-end responsibility for their respective scope in the Project.

We are looking for **Specialized Project Management Companies** to manage our projects and the project implementation partners to ensure that the Projects achieve their objectives in terms of time, cost, quality, safety, and performance.

The Companies must have experience of successfully managing multiple large capital projects of more than a billion dollars across various industries using the latest technology and digital tools for effective project management and reporting.

We prefer Companies who will also bring Technical Subject Matter Experts as part of their team. The prospective partner is expected to set up a Project Management Office (PMO) at project site.

Interested companies may submit their EOI along with the following documents:

- Company profile
- Relevant experience in similar projects
- Any other suitable and supporting credentials

Expression of Interest should be sent by **8th July 2022** on [groupprojects.pmo@vedanta.co.in](mailto:groupprojects.pmo@vedanta.co.in)
