Security Partnership Opportunity

Global Transition Resources Inc. - Advancing Critical Minerals for the Energy Transition

Global Transition Resources Inc., a US-based company, with active **copper-cobalt and gold assets ranking in global top 5 situated in Africa** (Zambia and South Africa), invites **established, innovative and technology driven security firms** to safeguard one of Africa's significant mines and operations.

This is a **large-scale, high-impact assignment** requiring **best-in-class security solutions** powered by **AI, automation, and advanced surveillance technologies**.

We welcome security partners with a proven track record to deliver:

- Comprehensive, **end-to-end asset protection**
- Deployment of **cutting-edge security technologies**
- **Theft, loss, and pilferage prevention** with real-time monitoring
- Implementation of **robust governance and compliance frameworks**

This is a unique opportunity to lead security operations at the frontier of modern mining infrastructure.

If your firm delivers next-gen security with precision and integrity — connect with us.
