DIRECTORS' RESPONSIBILITY STATEMENT

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Irish Company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework'.

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company and of the profit or loss for that year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

- have been properly prepared in accordance with Irish Generally Accepted Accounting Practice; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Other information

The directors are responsible for the other information. The other information comprises the information included in the Reports and Financial Statements other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VEDANTA LISHEEN MINING LIMITED (Continued)

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf.

This description forms part of our auditor's report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

VEDANTA LISHEEN MINING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1. ACCOUNTING POLICIES

Vedanta Lisheen Mining Limited is a limited liability company incorporated in the Republic of Ireland. The registered office of the Company is in Deloitte & Touche House, Charlotte's Quay, Limerick, Ireland.

These financial statements were prepared in accordance with applicable accounting standards FRS 101 'Reduced Disclosure Framework' (Generally Accepted Accounting Practice in Ireland) and Companies Act 2014.

BASIS OF PREPARATION

The company meets the definition of a qualifying entity under FRS 100 (Financial Reporting Standard 100) issued by the Financial Reporting Council. The financial statements have therefore been prepared in accordance with Financial Reporting Standard 101 (FRS 101) Reduced Disclosure Framework, as defined above. The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2014.

FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined in FRS 101 which addresses the financial reporting requirements and disclosure exemptions in the financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted IFRS.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 2.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- The following paragraphs of IAS 1, 'Presentation of financial statements':
 - 10(d), (statement of cash flows),
 - 10(f) (a statement of financial position as at the beginning of the preceding period when an entity applies an accounting policy retrospectively or makes a retrospective restatement of items in its financial statements, or when it reclassifies items in its financial statements),
 - 16 (statement of compliance with all IFRS),
 - 38A (requirement for minimum of two primary statements, including cash flow statements),
 - 38B D (additional comparative information),
 - 40A D (requirements for a third statement of financial position),
 - 111 (cash flow statement information), and
 - 134-136 (capital management disclosures).
- IAS 7, 'Statement of cash flows'

VEDANTA LISHEEN HOLDINGS LIMITED

**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020**

1. ACCOUNTING POLICIES - continued

- Paragraph 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective)
- The requirements in IAS 24, 'Related party disclosures' to disclose related party transactions entered into between two or more members of a group.
- Paragraphs 91 to 99 of IFRS 13, 'Fair value measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities)
- Disclosure requirements of IFRS 9: Financial Instruments

Where relevant, equivalent disclosures have been given in the group accounts of Vedanta Resources Plc. The group accounts of Vedanta Resources Plc. are available to the public and can be obtained as set out in note 12.

GOING CONCERN

The directors, having made appropriate enquiries, consider it reasonable to assume that the company has adequate resources to continue for the foreseeable future and for this reason, have continued to adopt the going concern basis in preparing the accounts.

An increasing number of countries have reported cases of a novel strain of coronavirus ("COVID-19"). The World Health Organisation ("WHO") has declared COVID-19 to constitute a "Public Health Emergency of International Concern". The company has considered the potential impact of COVID-19 and assessed that there will be no impact as it has already ceased its trading. The company expects to have sufficient resources to cover its future costs, maintain its equity and continue as a going concern in the foreseeable future.

BASIS OF ACCOUNTING

The company prepares its financial statements denominated in US dollars.

The company includes as income/(expenditure) its share of attributable partnership profits or losses in its statement of comprehensive income. The company's share of its attributable partnership net assets is reflected, in the statement of financial position, through amounts owed by group companies.

TANGIBLE ASSETS

Freehold Land

Freehold land is stated at cost. Depreciation is not provided on freehold land.

VEDANTA LISHEEN MINING LIMITED

**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020**

1. ACCOUNTING POLICIES - continued

TANGIBLE ASSETS (continued)

Mining Assets

Mining assets are stated at cost less accumulated amortisation. Cost includes development and exploration expenditure for the establishment of access to mineral reserves, evaluation and commissioning expenditure, capitalised costs of borrowings and pre-production costs relating to expenditure incurred prior to the commencement date of operations.

Mine development expenditure is amortised over the estimated economic life of the mine using the unit of production method.

Plant and Equipment

Plant and equipment are stated at cost less accumulated depreciation.

Impairment

At each statement of financial position date, the net book value of assets is reviewed and compared to its recoverable value. Expected future cash flows from the assets are discounted to their present values in determining the recoverable amount. If the recoverable amount is less than the unamortised cost of the asset then the deficiency arising is provided for to the extent that, in the opinion of the directors it represents a permanent diminution in the value of the asset. Where provision is made it is dealt with in the statement of comprehensive income in the financial year in which it arises as additional depreciation.

Impairment losses which have been previously recognised are reversed only if the asset has increased in value and that increase in value arises due to a change in economic conditions or a change in the expected useful life of the asset. The recognition of a reversal of impairment is credited to the statement of comprehensive income to the extent of the original recognition of the impairment.

FOREIGN CURRENCY TRANSLATION

The US dollar is both the functional currency and presentation currency of the company.

Transactions denominated in foreign currencies relating to revenues, costs and non-monetary assets are translated to US dollars at the spot rate of exchange prevailing at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated to US dollars at the rate of exchange ruling at the Statement of Financial Position date. The resulting profits or losses are dealt with in the statement of comprehensive income.

VEDANTA LISHEEN MINING LIMITED

**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020**

TAXATION

Corporation tax is provided on taxable profits at current attributable rates. Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date. Deferred tax is not recognised on permanent differences. Deferred tax assets are recognised to the extent that they are regarded as recoverable. They are regarded as recoverable to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted.

DIVIDENDS

Dividends to ordinary shareholders are recognised as a liability of the company when approved by the company's shareholders.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. The Company considers the following areas as the key sources of estimation uncertainty:

Impairment

Management reviews its property, plant and equipment, including mining properties, for possible impairment if there are events or changes in circumstances that indicate that carrying values of the assets may not be recoverable. In assessing the property, plant and equipment for impairment, factors leading to significant reduction in profits such as changes in commodity prices, business plans and changes in regulatory environment are taken into consideration. The carrying value of the assets of a cash generating unit (CGU) is compared with the recoverable amount of those assets, that is, the higher of fair value less costs of disposal and value in use. Recoverable value is based on the management estimates of commodity prices, market demand and supply, economic and regulatory climates, long-term plan, discount rates and other factors. Any subsequent changes to cash flow due to changes in the above-mentioned factors could impact the carrying value of the assets.
