**Subject: Bharat Aluminium Company Limited (BALCO), a subsidiary of the Company:  
Increase in Rolled Products capacity**

Dear Sir/Ma’am,

We are pleased to announce the successful production of 1<sup>st</sup> slab from Rolled Products debottlenecking at Balco on January 31, 2025, followed by full ramp up in couple of months.

Completion of Project at Rolled Products facility will increase production capacity of Rolled Products from 50 KTPA to 100 KTPA along with addition of 30 KTPA Aluminium Silicon product and 50 KTPA slabs, thereby contributing significantly to VAP portfolio and placing BALCO in high premium product segment. With this, it would be the 2<sup>nd</sup> largest RP capacity in India, fully backed up by primary aluminium production. Our major presence will be in the high-end Packaging, Consumer Durables, Electrical segment and Building & Construction, focusing on Nation building projects.

Request to please take the same on record.

Thanking you.

Yours faithfully,  
**For Vedanta Limited**
